Re: Juanita L. Murray v. New York City Board of Education, Robert Mercedes,
Susan Carr-Lagomarsini
Docket No. 15 CV 3191 (RRM) (ST)

Dear Judge Tiscione:

I would like to make sure that the video recordings for two dates, are available and not discarded or recorded over. The dates are as follows:

January 28, 2013- a recording where the Principal, Robert Mercedes, directed me to walk around the cafeteria 20 times. This happened in the School Cafeteria in the main building at approximately 12:25 pm. I would like the recording from about 12:00pm-1:30pm for that day.

September 23, 2014- when a teacher verbally and maliciously assaulted me by calling me a nigger, repeatedly. This incident occurred on the 2nd floor in front of classrooms outside of the gymnasium.

I am unsure of the exact time. It happened in the morning. I believe it will also help to have a recording of the same morning, where she may have followed me to my next assignment, on the 3rd floor near the elevator. I believe the window of time is between 8:00 am-11:30 am.

The January 2013 incident may have been viewed by the UFT Special Representative Margaret Borelli, as a part of my Harassment Complaint. The second incident in September 2014 is important because the Principal, Robert Mercedes told me the teacher denied even having a conversation with me that day.

I hope I am not too late, since these incidents happened several years ago. Thank you in advance for your

time and attention to this matter.

Respectfully submitted,

Juanita L. Murray
